Species: Quartzite

\*Slab Size: See dimensions in photo

*Despite every effort to accurately duplicate each product's color when shown on our website or in digital images, actual colors may vary. Due to computer monitor resolution and color settings, subtle variations in color and surface texture may not be fully revealed. Although every attempt is made to give the best representation of the available materials and colors, it is best to view them in person.*

*\*Slab size may vary from slab to slab in the same lot*
